Response to Amendment

This office action is responsive to Applicant's amendment received on January 19, 2005. Claims 63-139 are pending.

Response to Arguments

Applicant's arguments, see "Remarks" pages 2-10, filed on, with respect to claims 63-139 have been fully considered and are persuasive. The double patenting rejection of claims 63-139 has been withdrawn.

Allowable Subject Matter

Claims 63-139 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior arts of record fail to disclose "in the first computer unit, forming a forth input variable using a give hash function selected from the group consisting of the first hash function and a second hash function, a third input variable for the given hash function including, for forming the forth input variable, at least one variable that can be used to unambiguously infer the session key, at least part of the variable being a nonpublic variable".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
